Service Learning

In the

New Hampton Community School District

A connected, caring community of lifelong learners who reach out through meaningful service to others.

Service Learning was written into the Social Studies Curriculum in the year 2001.

Service Learning Requirements:

- Kindergarten through Fourth Grade Students will be involved in service learning projects as a classroom. They will plan the project, implement their plan, and reflect as a group.**
- Fifth Grade Students will perform service learning projects as a group, at least one per semester.**
- Sixth Grade Students will perform one hour of service during the first semester and one hour of service during the second semester on their own.**
- Seventh Grade Students will perform two hours of service per quarter on their own.**
- Eighth Grade Students will perform two hours of service each quarter on their own.**
- Tenth Grade Students will perform two hours of service monitored by the Civics instructor.**
- Grade Twelve Students will perform eleven hours of service in their community as a graduation requirement.**
